

MOTION BY SUPERVISOR DON KNABE

February 20, 2007

On December 10, 2006, Paul David Gomez, age 21, was shot and killed at the intersection of Leffingwell Road and Meyer Road in (Unincorporated Whittier County). Mr. Gomez, a resident of Norwalk, was a passenger in the front seat of a vehicle being driven by a friend. Investigators have not received information indicating that the victim provoked the shooting, and although not confirmed, believe the murder was committed by gang members.

A lone witness contacted deputy personnel shortly after the shooting and relayed to the investigators that other vehicles were present at the intersection at the time of the shooting, and therefore, may have witnessed the event. No additional witnesses have come forward. Investigators believe it would be beneficial to offer a reward in this case which may prompt reluctant witnesses to come forward and provide information to identify the individual(s) responsible for this crime.

I, THEREFORE, MOVE that the Board of Supervisors offer a \$10,000 dollar reward for the information leading to the arrest and conviction of the perpetrator(s) of this heinous crime.
